

Very smart®

Add A Little More Protection For Your smart® fortwo

The smart® has finally arrived in the U.S.A and Performance Products has joined with Romik to add just a touch of extra protection to your smart® vehicle. Romik is a 51 year old company that offers a 5 year warranty on all of their stainless steel products. These items are the very best quality, with hand-polished, virtually invisible welds and superior laser-cut mounting brackets. This is a great accessory for your smart®.

Great Way To Personalize Your Floor Mats!

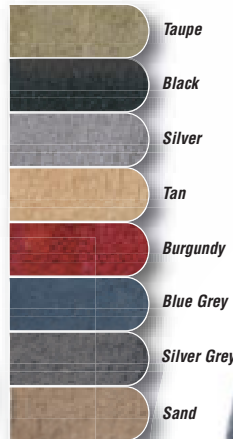

K&N High-Flow Replacement Air Filters

- Lowers Restriction, Improves Airflow
 - Increases Horsepower & Acceleration
 - Easy, Fast Way To Gain Power
 - Washable/Reusable/Lifetime Filter
 - Complies With Factory Warranties
 - Million Mile Limited Warranty
- A K&N Air Filter is made of 4 to 6 layers of cotton gauze, sandwiched between two epoxy-coated aluminum wire screens. The cotton is treated with a specially-formulated grade of oil, causing tackiness throughout the cotton's strands. The nature of the cotton allows high volumes of airflow, and when combined with the tackiness of the oil, creates a powerful filtering media that ensures catching the finest dust and protecting your vehicle's engine. When you buy a K&N OE Replacement Filter, you can be confident your vehicle's warranty will remain in effect. K&N Filters can be easily cleaned with the Recharger maintenance kit and will last the life of your vehicle.
